CODING COMPETITION

Coding Competition was conducted at Dr. D. Y. Patil Institute of Technology, Pimpri on 2nd of August 2019. This event was introduced by CSI-DIT to provide platform for students to unleash their coding skills. The event was great success by mass participation of 115 students. The competition started at 4.00PM and took place in two rounds. First round was 'Code Scramble' in which students were given code which is not in order and they had to arrange it in order so as to get expected output. The second round was 'Codigo' in which problem statement was given. Three students were able to clear both rounds and declared as winners

Installation Ceremony

Installation Ceremony was conducted on 27th August 2019.The CSI committee was introduced to the Computer Department. Principal Dr SN Mali sir , Head of the Department and Vice Principal Dr Pramod Patil sir ,faculties were present to grace the occasion. Badges were pinned and office orders were given to the Associate and Assistant committee.

 The installation ceremony marked the beginning of the working committee for the year 2019-20.HOD and Vice principal Dr Pramod Patil Sir and Principal Dr SN Mali sir addressed the students with their motivational words. The installation ceremony always sets the new goals for team CSI.

Web Development Seminar & Web Development Competition

Web Development Seminar and Web page development Competition held at Dr. D.Y. Patil Institute of Technology, Pimpri, Pune on 30th August 2019 and 3rd September 2019 respectively.

   The web development seminar for second and third year students of Dr. D.Y. Patil Institute of Technology was held on 30th of August 2019.This event was introduced by CSI-DIT to provide students to get introduced to the web development. Head of Department Dr. Pramod Patil, Faculty coordinator Prof. Smita Chaudhari showed their support for the event. Based on the web development seminar the web page development competition was held on 3rd September 2019.

   The seminar covered HTML, XML language basics. The competition was held on 3rd September. Problem statement was given to the students for web page development. Based on their web page design, results were evaluated.

Teacher's Day

CSI celebrated Teacher's Day on 5th September 2019. As a tribute the students shot a video on their experiences with the teachers in the department. The video was shown to the teachers. All the teachers were overwhelmed to see the response of the students.

We had a game organised for the teachers. The game was called Pictionary. There were two teams one of the member was supposed to select a chit from the bowl and depict the name of the movie written in it through drawings . All the teachers were very enthusiastic and actively participated in it.

Principal Dr SN Mali sir and HOD and Vice Principal Dr Pramod Patil sir addressed the gathering with their enlightening words.

Some of the teachers displayed their hidden talent and sung various songs and had great time. It was a complete surprise for us to see Principal sir and HOD sir singing.

On the auspicious occasion of teacher's day the CSI experience a very enthusiastic and loving nature of our teachers.
